Message from the Executive Director

**Thank you for making our 23rd Annual Golf Tournament our best ever!**

On behalf of the clients, staff, members of the Fundraising Committee and the members, Board of Directors of Participation House, Markham: Thank you for supporting the 23rd Annual Golf Tournament. Our agency continues to fulfill its mission in being a leader in providing services that enhance the quality of life for persons with physical and developmental disabilities and we are entering our 43rd year of operation. Plans have been initiated to consider a Building Expansion at Butternut Lane and assessments are underway to make a final decision on this exciting prospect. Stay tuned!

**Our Goal was \$35K but we raised the bar to over \$40,000!**

**Frances DiCarlo**, Executive Director
